ANNOUNCEMENTS

Today is Tone 7

Please join us on August 28 for a farewell celebration for Geo Zaroff! Geo has been accepted to Beijing Language and Cultural University in China. Geo leaves August 31 and will be away until July of 2017.

We have watched Geo grow up to be a fine young gentleman and now it's time for him to pursue his dreams. How quickly time has flown by! Let's send him off with all our love and best wishes! God grant him many years! I'm sure by the time Geo gets back home he will be able to say that in Mandarin! Our celebration will take place in the hall after liturgy.

What can you contribute to the church? Do you have a great artistic talent? A great advertising idea? Some handy skill? What can you do for God? We should use our gifts God gave us to give back to him.

9/18 is the Annual Parish Assembly, if interested in running for the parish council, please let Scottie or Brian know.

What is E.C.H.O?

It is a non-profit organization and the acronym stands for Emergency Care Help Organization. It offers clothing and other necessary items that the less fortunate people need. Right now they need men's and boy's clothing and assorted toiletries. Beginning Sunday, Aug 7, you may bring items to the church hall. We will end this effort Sunday, Sept 11. Please see Sue Johnson with any questions. Important! The clothing does not have to be new, lets help those who aren't as blessed as we. They will also accept women's and girls' clothing, too!

We need some new road signs; the cost is \$85. If anyone would like to donate towards them, please talk to Rebecca, or put it in the collection plate with new sign on the envelope.

In the hall after Liturgy this year, we will be doing 10-15 minute discussions with the theme "I believe", what it really means to have faith, and the place of the Church, and the sacramental life of the Church's place in faith, and how we can grow as persons by becoming more engaged in it, including Liturgy. Included in the course of the year will be discussion of the book "God's Crime Scene" where a cold case detective came to faith by investigating God's presence in the universe as he would based on the scientific methodology used in solving crimes, as well as several scientists who have come to faith.

In any case, it should be an enjoyable year, where everyone, youth and adults, can grow in their faith and grow as persons.

Meals on Wheels is a church wide program which began in 1976. The program is very active in the Tampa Bay area. The program is always looking for volunteers, most specifically, cooks and substitute drivers. You can volunteer when you want and are not committed on a regular basis. If you are interested, please see Scottie for more information. If you would like to sign up for a Sunday to host a fellowship hour, we are going to put a calendar in the hall for volunteers to sign up. Please consider signing up for a Sunday!
