The Assembly of Canonical Orthodox Bishops of the United States of America affirms the sanctity of life based on the firm conviction that life begins at the moment of conception. The Assembly remains steadfast in its conviction that any interference in the development of life is a serious issue, and therefore it regularly participates in a variety of relevant events and also releases pertinent statements on the topic.

While recognizing that there are rare but serious medical instances where mother and child may require extraordinary actions, the Assembly of Bishops is deeply concerned that the taking of innocent life through abortion has become an acceptable cultural norm. This phenomenon – increasingly prevalent throughout contemporary societies – was exacerbated by a recent law of the New York State Senate (Bill S.240). The Assembly of Canonical Orthodox Bishops of the United States of America categorically denounces these adverse developments that allow for abortion, under certain unjustifiable circumstances, even within the third trimester of existence.

The Assembly of Bishops further reminds the faithful that Christ is a beacon of hope in this challenging world. Accordingly, the Church is always prepared and willing to support women who are considering abortion to find alternative avenues to alleviate any burden, physical and spiritual. The Church is ever a mother – loving, understanding, nurturing, praying, and protecting all human life.

The paschal season of the Church is preceded by the season of Great Lent, which is also preceded by its own liturgical preparation. The first sign of the approach of Great Lent comes five Sundays before its beginning. On this Sunday the Gospel reading is about Zacchaeus the tax-collector. It tells how Christ brought salvation to the sinful man, and how his life was changed simply because he “sought to see who Jesus was” (Luke 19:3). The desire and effort to see Jesus begins the entire movement through Lent towards Pascha. It is the first movement of salvation.

Our lenten journey begins with a recognition of our own sinfulness, just as Zacchaeus recognized his. He promised to make restitution by giving half of his wealth to the poor, and by paying to those he had falsely accused four times as much as they had lost. In this, he went beyond the requirements of the Law (Ex. 22:3-12).

The example of Zacchaeus teaches us that we should turn away from our sins, and atone for them. The real proof of our sorrow and repentance is not just a verbal apology, but when we correct ourselves and try to make amends for the consequences of our evil actions.

We are also assured of God’s mercy and compassion by Christ’s words to Zacchaeus, “Today salvation is come to this house” (Luke 19:9). After the Great Doxology at Sunday Matins (when the Tone of the week is Tone 1, 3, 5, 7) we sing the Dismissal Hymn of the Resurrection “Today salvation has come to the world,” which echoes the Lord’s words to Zacchaeus.

Zacchaeus was short, so he climbed a tree in order to see the Lord. All of us have sinned and come short of the glory of God (Rom. 3:23). We are also short in our spiritual stature, therefore we must climb the ladder of the virtues. In other words, we must prepare for spiritual effort and growth.
