ANNOUNCEMENTS

CHRIST IS BORN! GLORIFY HIM!

CHRIST IS BAPTIZED! IN THE JORDAN!

Today's services are in loving memory of Father Martin, brother of Susan Johnson. May his memory be eternal!

As most or many of you know, our oldest daughter, Alexis Mary, is being married to Keegan Federoff in a couple of weeks. For years Alexis did volunteer work here. For a few months she got paid to clean the church, but did years of volunteer work before that. She was the first one to give to our parish for hurricane repairs giving in the go fund me page (with her humble wage as a housekeeper in an aging hotel, she gave \$75 as soon as she saw the appeal).

While Pani and I will be giving them a gift, it would be nice if the parish as a whole gave them a gift. We won't be doing a "special collection", but if you wish to give for this purpose, mark it as "Alexis gift" either by mail or bring to church on Sunday (will have basket in back or can just put in collection basket when passed around), or you can give online with a special note to that effect. Also, please sign the card for them. If you would like to send them a card on your own, the address is Alexis and Keegan Federoff 93 Old Church Lane Williamsport, PA 17702.

We need to take down the Christmas tree today after church. The more who help, the faster it goes. We will also need to take down the Nativity scene on the front porch. Please see Pani for instruction if you can take it down.

Our calendar order was not received by the monastery when Pani faxed it in. We have been in contact with them, and they will be sending them soon. Sorry for the inconvenience.

Our first project for 2018 for the Outreach Ministry is a blanket drive for local hospitals and nursing homes. Please see Sue Johnson if you are willing and able to participate.

Join the Women of Faith this Monday at 7:00 pm at the Brandon Mall Food Court.

If you bring food for fellowship, which is much appreciated, please take it with you when you leave or offer it to another person if you do not want to bring it back home with you. If it is something that can be used in the future, it needs to go into the freezer. Health Department rules do not allow leftover cooked food for more than 5 days. If it is left in the fridge, it must have a date and label but will not be good the following Sunday because that is 7 days and we can only keep it for 5 days.

January shopping list: 12 oz coffee cups, hot chocolate, bagels and coffee. If you are at the store, pick up something and bring to church.

Parish council contacts: Scottie (President): 813-629-6027, Brian (Vice President): (813) 763-5226, Rebecca (Treasurer): (813) 763-5225, Nancy (Co Treasurer) (727) 584-7907, Paula (Secretary) and Susan.

The council has voted that Monday and Saturday's will be Father's days off (except weeks when there is a feast day or some other duty is required). Please, do not call or text on those days, except for legitimate emergencies. If you have an emergency on one of those days, please also call or text Pani at 813-451-9829 or one of the council members.

The 2018 envelopes are in the narthex, pick up yours today.

Sign up in the hall for a fellowship hour! The sign up is on the window in the hall. There will no longer be stewardship teams. Fellowship can be very simple, just bagels or donuts.

Our Lenten Retreat is scheduled for February 23-25, 2018. The time has come to register! You can do so online on our website or you can fill out a paper registration and give it to Paula.
